Disclaimer

DAT maakt uitrustingsinformatie beschikbaar voor voertuigen geproduceerd voor Europees marktgebied. Om de uitrustingsinformatie te bepalen wordt een koppeling gemaakt tussen diverse databases. Soms is deze koppeling niet mogelijk, bijvoorbeeld omdat een voertuig oorspronkelijk in het buitenland geleverd is met een specifieke uitrusting die niet bekend is in de database voor Nederland. Het is mogelijk om, tegen meerprijs, toegang tot DAT-databases voor andere landen te verkrijgen. Neem contact op met VWE voor meer informatie.
